## Thank you Ketchum University for serving!

The residents of the Courtyard Transitional Shelter have multiple supportive services available to them. Thank you, Ketchum Nursing students for spending a couple hours running a supportive service informational booth last week! It is always helpful to be reminded of when and where each service is provided and the benefits that come with utilizing them!

## Thanksgiving day is officially scheduled!

Thank you to Seva Matters, Principe de Paz, and OC Rescue Mission for committing to serve.

If you were interested in serving on Thanksgiving, please email us for other opportunities/needs. We are currently planning for Christmas and New Years. Email [Courtyard@citynet.org](mailto:Courtyard@citynet.org) to inquire.
