ORANGE COUNTY CONTINUUM OF CARE

2018 REQUEST FOR QUALIFICATIONS (RFQ) FOR NEW BONUS PROJECTS AND DV BONUS PROJECTS

BACKGROUND

Since 1994, the U.S. Department of Housing and Urban Development (HUD) has used the phrase “Continuum of Care (CoC)” when referring to a stream of funding specifically intended to serve homeless persons. This funding was established through the 1987 McKinney-Vento Homeless Assistance Act and reauthorized through the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009.

Each year, HUD releases a CoC Notice of Funding Availability (NOFA) to which hundreds of communities across the country respond by completing a lengthy grant application. Through the NOFA process, HUD awards funding, but also communicates policy priorities. In 2017, Orange County received over \$23 million to support ongoing operations of a variety of programs that provide housing and services to homeless adults, families and youth.

On April 09, 2018, HUD released the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Registration Notice¹ that makes available funding to communities nationwide to provide housing and services to homeless populations. The Registration Notice outlines HUD’s Homeless Policy and Program Priorities, including: creating a systemic response to homelessness utilizing CoC Program performance measures and through the Coordinated Entry System (CES); strategically allocate and use resources by comprehensively reviewing project outcome data, performance, and cost effectiveness; and using a Housing First approach throughout the Continuum of Care.

During the FY 2018 Program Competition, in addition to requests for renewal projects, CoCs may submit requests for new projects through the process of reallocation and the permanent housing bonus. Through the reallocation and permanent housing bonus, CoCs may create new permanent supportive housing projects, rapid re-housing projects, and/or joint component projects, which will combine transitional housing and rapid rehousing into a single project. Further information pertaining to funding availability and new projects will be discussed in more detail in the Request for Proposals.

ATTENTION CURRENT CONTINUUM OF CARE AGENCIES

Agencies that have submitted the 2018 Agency Administrative Review for renewal of CoC funds during the FY 2018 CoC NOFA cycle do not need to complete this Request for Qualifications.

If your agency did not submit a 2018 Agency Administrative Review for renewal of CoC funds during the FY 2018 CoC NOFA cycle continue on to the Request for Qualifications Process.

REQUEST FOR QUALIFICATIONS PROCESS

The Orange County CoC will begin solicitation of Request for Qualifications for new Bonus Projects and Domestic Violence (DV) Bonus Projects.

The Request for Qualifications will be a thorough review of an agency's capacity to administer a CoC homeless permanent housing project in the Orange County CoC and experience in administering similar programs as indicated in the Threshold Requirements for Agency Section of the RFQ. Agencies determined to meet the Threshold Requirements for the RFQ will have their Request for Proposals evaluated.

The Request for Qualifications process will include a comprehensive review of the following:

1. Threshold Requirements for Agency
2. Technical Requirements
3. Document Presentation Requirements

THRESHOLD REQUIREMENTS FOR AGENCY

AVAILABLE FUNDING FOR NEW COC PROJECTS

The Orange County Continuum of Care (CoC) through its approval body, the Continuum of Care Board, is issuing this notice to further the ongoing work in our community to “right-size” the system to end homelessness consistent with HUD guidance and HEARTH Act regulations.

As noted on the CoC Program Registration, “...HUD anticipates allowing CoCs to use the reallocation process to create, at a minimum, the following new projects:

- Permanent supportive housing projects that will primarily serve chronically homeless individuals and families, including unaccompanied youth;

² Under the HEARTH Act, each recipient or project sponsor is required to provide for the participation of not less than one homeless individual on the board of directors or other equivalent policymaking entity of the recipient or project sponsor, to the extent that such entity considers and makes policy decisions regarding any project, supportive services, or assistance provided.

³ Must be dated within the last 3 years.

⁴ Most recent meaning, in the last six years. Only submit the documents if dated 2012 or later.

⁵ The oldest audit that may be submitted is 2015.

⁶ Minimum Federal assistance threshold increased in 2015 for the requirement of A-133 submittal from \$500,000 to \$750,000 in Federal assistance.

⁷ The release of information document will allow the Orange County CoC to share information, such as data in the Line of Credit Control System, with 211OC, HUD and other applicable third party entities.

- Rapid rehousing (RRH) projects for homeless individuals and families, including unaccompanied youth, coming directly from the streets or emergency shelter, or persons fleeing domestic violence situations and other persons meeting the criteria of paragraph (4) of the HUD definition of homelessness;
- Joint component projects, which will combine transitional housing (TH) and permanent housing (PH)-RRH into a single project to serve individuals and families experiencing homelessness;
- Dedicated HMIS projects; or
- Supportive Services Only (SSO) projects for centralized and coordinated assessment systems.

ELIGIBLE PROJECT TYPES

This Letter of Interest to Participate in Request for Proposal for new Bonus Projects and Domestic Violence Bonus Projects will gauge interest in the two types of projects below which are defined in the CoC Interim Rule (24 CFR 578.3)⁸ and in the CoC Registration Notice.

Rapid Rehousing (RRH) is a model of housing assistance that is designed to assist homeless people to move as quickly as possible into permanent housing and achieve stability in that housing. RRH assistance is time-limited, individualized, and flexible. Under the CoC Registration Notice, RRH projects will serve homeless individuals, including youth, and families coming directly from the streets or emergency shelters, and include persons fleeing domestic violence situations and other person meeting the criteria of paragraph (4) of the HUD definition of homeless. RRH projects funded under this NOFA competition must also follow Housing First principles and participate in the Coordinated Entry System (CES).

Joint TH and PH-RRH: Joint TH and PH-RRH Component Project. The Joint TH and PH-RRH component project combines two existing program components—transitional housing and permanent housing-rapid rehousing—in a single project to serve individuals and families experiencing homelessness. HUD will require the recipient to adopt a Housing First approach (see Section II.A.4 of this NOFA) across the entire project and program participants may only receive up to 24-months of total assistance.

When a program participant is enrolled in a Joint TH and PH-RRH component project, the recipient or subrecipient must be able to provide both components, including the units supported by the transitional housing component and the tenant-based rental assistance and services provided through the PH-RRH component, to all participants. A program participant may choose to receive only the transitional housing unit, or the assistance provided through the PH-RRH component, but the recipient or subrecipient must make both types of assistance available. Additionally, if CoC Program funds are not being requested for both TH and PH-RRH units, the project application must still describe the number of TH and PH-RRH units that will be utilized by the project, if selected for conditional award, and provide details in the project description of how TH and PH-RRH assistance will be provided.
