

DO YOU WANT MORE MONEY TO SPEND AT THE GROCERY STORE?

If so, you might be interested in **CalFresh** (formerly known as food stamps).

If you qualify, you receive an EBT card that works like a debit card to shop for more fruits, vegetables, proteins, and other healthy foods.

CalFresh benefits can be used at supermarkets, convenience stores, pharmacies, and also stores like Target, Costco, some ethnic markets, and farmer's markets!
