### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to 211 OC's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 211 OC's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors  
People for Irvine Community Health  
dba 2-1-1 Orange County

**Notes to Financial Statements**

June 30, 2015 and 2014

1. NATURE OF ORGANIZATION:

People for Irvine Community Health was established in 1984 and is known as 2-1-1 Orange County (211 OC). On April 1, 2004, the Public Utilities Commission of the state of California authorized 211 OC to use the 2-1-1 abbreviated dialing code to provide information and referral services to all of Orange County. This authority is granted for an indefinite term. 2-1-1 is the national abbreviated dialing code designated by the Federal Communications Commission to be used to phone non-emergency information and referral providers. 211 OC is a California not-for-profit corporation.

On April 1, 2014, 211 OC officially took over operations of another California not-for-profit organization, OC Partnership (OCP). OCP was legally dissolved and all assets and liabilities were transferred to 211 OC. The mission of OCP was to be a leader and catalyst in promoting, creating, building, supporting, and sustaining viable solutions to homelessness, hunger, and inadequate health care in Orange County, California. OCP coordinated with a group of public and private organizations who support their efforts and work with them toward strengthening Orange County's system of care. As a result of the OCP acquisition, 211 OC acquired \$123,217 of assets and \$39,268 of liabilities, which resulted in \$83,949 of revenue reported as OCP acquisition grant on the accompanying statements of activities.

211 OC is now focused on providing the support that both organizations previously provided independently. The organization's primary source of revenue consists of tax-deductible contributions from government and foundation grants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The financial statements of 211 OC have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The significant accounting policies adopted by 211 OC are described below.

**CASH AND CASH EQUIVALENTS**

For statements of financial position and cash flow purposes, cash and cash equivalents consist primarily of cash on deposit. These accounts may, at times, exceed federally insured limits. 211 OC has not experienced any losses on such accounts.

**GRANTS AND ACCOUNTS RECEIVABLE**

Grants and accounts receivable consist primarily of grants receivable from government entities and private foundations. All amounts are expected to be collected within one year. At June 30, 2015 and 2014, management believes these amounts are fully collectible and no allowances have been established.

**PROPERTY AND EQUIPMENT**

Property and equipment are recorded at cost. Donated items are recorded at fair value on the date of the gift. Depreciation is computed on the straight line method over the estimated useful lives of the assets, ranging from 3 to 7 years.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

NET ASSETS

The financial statements report amounts by the following net asset classifications:

*Unrestricted net assets* are currently available at the discretion of the board of directors for use in the operations and those resources invested in property and equipment.

*Temporarily restricted net assets* are contributed with donor stipulations for specific programs and purposes, as well as grants not yet received.

All contributions are considered available for unrestricted use unless specifically restricted by the donor or subject to legal restrictions.

SUPPORT, REVENUE, AND EXPENSES

Contributions are recorded when cash or unconditional promises-to-give have been received, or ownership of donated assets is transferred to 211 OC. Conditional promises-to-give are recognized as revenue when the conditions on which they depend are substantially met.

Contributions are recorded as temporarily restricted if they are received with donor stipulations that limit their use through purpose and/or time restrictions. When donor restrictions expire, that is when the purpose restriction is fulfilled or the time restriction expires, net assets are reclassified from temporarily restricted to unrestricted net assets and reported in the accompanying statements of activities as net assets released from restrictions.

For contributions restricted by donors for the acquisition of property or other long-lived assets, the restriction is considered to be met when funds are spent to purchase or construct the property or other long-lived asset.

Revenue is recorded when earned. Expenses are recorded when incurred in accordance with the accrual basis of accounting.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

**FUNCTIONAL ALLOCATION OF EXPENSES**

The costs of providing the various program services and supporting activities have been summarized on a functional basis on the accompanying statements of activities. Accordingly, certain costs, such as depreciation and payroll, have been allocated among the program services and supporting activities.

**ALLOCATION OF JOINT COSTS**

211 OC has implemented the Joint Cost topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). For the year ended June 30, 2015 and 2014, there were no joint costs.

**USE OF ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires that management make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**INCOME TAX STATUS**

211 OC is qualified as a California nonprofit public benefit corporation under Section 501(c)(3) of the Internal Revenue Code (IRC) and corresponding California provisions. No provision for federal or state income taxes have been included in the financial statements. Contributions by the public are deductible for income tax purposes.

**UNCERTAIN TAX POSITIONS**

The financial statement effects of a tax position taken or expected to be taken are recognized in the financial statements when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. Interest and penalties, if any, are included in expenses in the statements of activities. As of June 30, 2015 and 2014, 211 OC had no uncertain tax positions that qualify for recognition or disclosure in the financial statements.

211 OC files information tax returns in the U.S. and California. 211 OC is subject to income tax examinations for the current year and certain prior years based on applicable laws and regulations.
